1. We have received two letters from NOSTREL since he arrived in the U.S. Again he re-emphasizes the hope that he will be able to serve the U.S. Government. As pointed out previously, NOSTREL is an extremely competent man and is a natural for our business. Besides being alert, intelligent, energetic and a natural leader, he speaks Russian, Circassian, German, English and Arabic as well as some Italian and French.
2. We are forwarding NOSTREL's present address in the U.S. under separate cover. It is recommended that he be assessed in order to determine whether he is of any possible future use to KIDARK.
